

# FACE YOUR PROBLEMS BY EMMA

WOW EMMA THIS IS AMAZING!!

Demons in my head I've been \*\*\*\*\* up,  
It's like the good in me has just been told to coverup,  
I've been getting into trouble \*\*\*\*\* nonstop,  
People constantly sayin in life I'm just gon flop,  
Scared to ask for help coz I have major trust issues  
So I just bottle it up and pretend life continues  
NORMALLY but it \*\*\*\*\* doesn't  
All this pain on my shoulders which I am  
Not loving  
I \*\*\*\*\* hate it  
Life is a \*\*\*\*\*  
I done with it  
I can't be \*\*\*\*\* with it  
But my mentality has to change if I wanna succeed  
Coz let's be honest right now it ain't looking good for me  
I need to make a tough choice  
I need to open a gateway so I can state my voice  
This is a big step  
Hopefully I will not regret  
But imma choose to do the right thing to help me improve  
Hope you approve  
But im gonna choose to accept the offer of counselling  
And hopefully all the bad behaviour I will be cancelling  
So I'll be glad if this is the right decision  
Thank you for your time now I'll keep watching television
